

55" Retail Tablet

SRK-RT550 T3 4K Smart PC Android Tablet

This new generation Tablet comes with significant feature updates in hardware, design and size-offerings. They are based on the powerful RK3399 chipset which includes a Dual-core A72 + Quad-core A53 Processor @2.0Ghz, 2GB RAM, 16GB Internal memory, Android 7.1 (Root), 802.11b/g/n/ac, and HDMI out. This is our most reliable consumer tablets built to date.

The SRK-RT550 4K Tablet 55" is an Android based interactive digital display which is specifically built for commercial use and is a unique size found only in the Sirkom Retail Tablets product line. The hardware and software are finely tuned to solve the problems found in commercial environments. The 10 point capacitive touch screen ensures reliable interaction between your customer and the device.

Reliable and professionally made, this is the ideal digital point of sale device giving customers the ability to view and interact with your content in a larger than life way.

Sirkom Retail Tablets are the ideal digital point of sale display for retailers looking for an affordable interactive digital signage solution that fits easily in any location. This device has all the connectors in the back side, not as with the standard tablets in the market. In addition it has also VESA mount holes to adapt to wall, floor stand, or desktop.
